On  
“Recent Advances in Computer  
Science and Information Technology”**

**29th April, 2023**

**About the College**

J.J.College of Engineering & Technology was established in the year 1994 approved by All India Council for Technical Education(AICTE), New Delhi and affiliated to Anna University, Chennai. JJCET offers 9 Undergraduate programmes in the disciplines of Artificial Intelligence and Data Science, Computer Science and Engineering (Cyber Security), Computer Science and Engineering, Information Technology, Electronics and Communication Engineering, Electrical and Electronics Engineering, Aeronautical Engineering, Civil Engineering, and Mechanical Engineering. The institution also offers 3 Postgraduate programmes in Engineering and Technology with specializations of Computer Science and Engineering, Power Systems Engineering, and Thermal Engineering, in addition to MBA.

The Department of Information Technology was established in the year 1998. The department provides quality education to the students. With the curriculum of Anna University, the department places equal importance on theoretical and experimental Information Technology. The department is equipped with the necessary computing infrastructure. The department has conducted various academic events like Symposium, Seminar, Workshop, Guest Lecture to motivate the students to attend the Co- curricular activities and Extra-curricular activities.
