College of Engineering and Technology and the Prashan Medical Technologies are referred to individually as a "Party" and collectively as "Parties WHEREAS, Institution is an educational institution, properly recognized by the Government of India with faculty and participating students and with state-of-the-art infrastructure / facilities, including laboratories, equipment required for Research and Development;

WHEREAS Prashan Medical Technologies is engaged in design, development and providing hands-on technical training of high-quality robotic, signal processing tools and microcontroller products in the field of Industrial Automation related areas.

Mr. Boopathi Sakthivel agrees to offer a package of academic interface programme containing the following of first party

S. No.	ITEM DESCRIPTION
1	Curriculum development (associated for current industry needs in engineering)
2	Internship and Workshop facility for Engineering and Technology students.
3	Collaborative research work in the areas relevant to Prashan Medical Technologies (PMT)
4	Help to organize technical events.

First Party agrees to provide:

S. No.	ITEM DESCRIPTION
1	Infrastructural facilities and local hospitality for the activities at the institute.
2	Active participation of the faculty in the collaborative research work relevant Prashan Medical Technologies (PMT)

PRINCIPAL
J.J. COLLEGE OF ENGG. & TECH.
TIRUCHIRAPPALLI-620 009.

Mr. BOOPATHI SAKTHIVEL
Founder & CEO
Prashan Medical Technologies

Now this memorandum of understanding witnessed and it is hereby agreed and understood between the parties hereto as under:

SCOPE OF THE MoU

1.1 Both Parties have agreed that the Institution shall support by providing students and faculty to carry out the research activities.

1.2 There is no financial commitment on the part of Institution to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately. The Institution might optionally provide work space and infrastructure support including computer, servers and storage for the use of the students and faculty to be used for the research.

1.3 Prashan Medical Technologies (PMT) shall appropriately compensate or pay remuneration to the faculty and students for their research work and creation of intellectual property and is outside the scope of this MoU.

CONFIDENTIALITY

The Prashan Medical Technologies (PMT) and the J.J. College of Engineering and Technology agree to hold in confidence all information/data designated as confidential, which is obtained / disclosed from the disclosing Party and will not disclose the same to any third party without written consent of the other Party except that provided for under the Right to Information Act, 2005.

STEERING COMMITTEE

A Steering Committee comprising officials of both parties shall be created to review the progress of the program on a periodical basis. The said Committee will handle only exceptional matters pertaining to the program. The frequency of convening the meeting of the Steering Committee shall be decided mutually by both parties.

The composition of the Steering Committee would be as follows: -

PRINCIPAL
J.J. COLLEGE OF ENGG. & TECH.
TIRUCHIRAPPALLI-620 009.

Mr. BOOPATHI SAKTHIVEL
Founder & CEO
Prashan Medical Technologies

1. Principal, J.J. College of Engineering and Technology – Chairman
2. Representative from Prashan Medical Technologies (PMT) – Mr. Boopathi Sakthivel, Founder and CEO – Member
3. Dean (Electrical Sciences) – Member
4. Representative from JJCET – Member

The Steering Committee may co-opt any Member, with the permission of Chairman of the Committee, and may also invite any person/representative of an institution to the meetings as Special Invitee to assist the Committee.

INTELLECTUAL PROPERTY

IPR titles or ownership of any products, proprietary information or technology tools, processes, utilities and methodology including any **Prashan Medical Technologies (PMT)** proprietary products or components thereof used hereunder or development of any deliverables and all new ideas, inventions, innovations, or developments conceived, developed or made by **Prashan Medical Technologies (PMT)** hereunder will not be transferred from **Prashan Medical Technologies (PMT)** to **First Party** on account of use of the same as part of any work under this agreement nevertheless **First Party** and **Prashan Medical Technologies (PMT)** follow following terms and conditions:

1. **If more than 75% work done at Prashan Medical Technologies (PMT) IPR always remains with Prashan Medical Technologies (PMT).**
2. **If First Party contributes 50% of works then IPR will remains with both parties.**
3. **If 40% of work done by Prashan Medical Technologies (PMT) and 60% of work done by First Party then IPR remains with First Party.**

However in all the cases mentioned above, the First Party shall have a royalty free, non-exclusive, irrevocable license to copy/use IP for research and educational purposes.

COLLABORATION

The parties acknowledge and agree that areas of collaboration as listed here in are not exhaustive in nature and the parties shall in good faith, negotiate to elaborate upon the areas

PRINCIPAL
