SPORTS & GAMES

- Dedicated playgrounds for Cricket / Football / Basketball / Volleyball / Kabaddi / Athletic events.
- Well-equipped indoor stadium for Carrom / Chess / Table Tennis / Other indoor games.
- Zonal Champion of Anna University in Sports & Games.
- Secured various medals in inter-college sports events.
- Students have won laurels in international sports competitions

EVENTS & EXTRA CURRICULAR ACTIVITIES

- At **JJCET**, we believe in nurturing overall growth of students, academic as well as extra curricular activities.
- To foster innovation and collaboration, we regularly host technical symposiums across various disciplines, which attract talented students from diverse institutions, providing a platform for knowledge sharing, idea exchange and healthy competition.
- Our cultural events are a vibrant celebration of student talent, showcasing their creative skills in Music, Dance, Art etc.,
- National level Smart Innovator Hackathon 2024 was conducted in **JJCET**, collaborating with AICT-HUB, Hyderabad.
- First-year students (2024-25) have earned prestigious Credly badges from Pearson/MePro under Tamil Nadu's Naan Muthalvan Scheme, a flagship initiative of the Tamil Nadu Government.
- Best NSS Volunteer Awards at State level and University Levels.

LIBRARY

- Centralized library with biometric entry, sprawling across 10,000 sq. ft.
- More than 55,000 books under 21,000 titles with 3,000 back volumes.
- Spacious, well-lit reading halls with aesthetic design and a digital library for e-learning.
- Access to national & international periodicals and journals for enhanced learning.

STATE-OF-THE-ART CAMPUS - INFRASTRUCTURE DEVELOPMENT

- Our campus hosts advanced Centres of Excellence KUKA Robotics | AI Drone Technology Lab | Design to Product Lab | Intel AI Skills Lab | CDAC IoT Lab Incubation Hub | Tessolve STE-SDC Lab.
- All laboratories have been upgraded to meet contemporary industry standards, ensuring a future-ready learning environment.
- All classrooms have been modernised with LED panels and spacious seminar halls - to strengthen academic excellence.
- Dr. Radhakrishnan block has been renovated with ICT classrooms exclusively for computing science branches, supporting innovative and interactive pedagogy.
- A vibrant campus infrastructure with a new age power GYM, lush green surroundings and latest amenities offers a safe, comfortable and inspiring atmosphere.
- Separate on-campus hostels for boys and girls provide air-conditioned rooms, a modular kitchen and a hygienic dining hall with a triple-menu system.
- Our Training and Placement Cell is well-equipped with robust infrastructure and comprehensive facilities to seamlessly organize and execute both on-campus and pool drives.

HOSTEL

- Safe and secure environment.
- Separate hostels for boys and girls.
- A/C and Non-A/C rooms.
- Wi-Fi facility.
- 24 x 7 CCTV Surveillance campus
- Delicious food with a triple menu system.
- Gymnasium for maintaining fitness and health.

EXCELLENCE

COURSES OFFERED

Undergraduate Programme

- B.Tech.,** - Artificial Intelligence and Data Science
- B.Tech.,** - Information Technology
- B.E.,** - Computer Science and Engineering (Cyber Security)
- B.E.,** - Computer Science and Engineering
- B.E.,** - Electronics and Communication Engineering
- B.E.,** - Electrical and Electronics Engineering
- B.E.,** - Aeronautical Engineering
- B.E.,** - Mechanical Engineering
- B.E.,** - Civil Engineering

Postgraduate Programme in Engineering With Specialization

- M.E.,** - Computer Science and Engineering
- M.E.,** - Power Systems Engineering
- M.E.,** - Thermal Engineering

MANAGEMENT STUDIES

- Master of Business Administration (MBA) Specialization**
- Marketing / Human Resource / Finance / Operations / Analytics

ENSURING CAREERS

► PLACEMENT AND INDUSTRY CONNECT

We partner with leading multinational companies to offer comprehensive training and excellent placement opportunities for our students.

- **Computing Sciences** : Hexaware, Infinite Computer Solutions, Wipro, Kamba Incorporation, and Capgemini.
- **EEE & ECE** : Tessolve Semiconductor Test Engineering Skill Development Course Lab.
- **Aero & Mechanical** : SKYX Aerospace Pvt. Ltd., Apollo Tyres etc.,
- Industry-oriented training delivered by expert professionals and mentors.
- 86% of the 2026 batch students has been placed in reputed MNCs.
- 100% placement support for eligible students with leading recruiters.
- Strong guidance from industrial veterans to connect academic learning with corporate expectations.

CHAIRMAN'S MESSAGE

I am delighted to warmly welcome you to **JJ College of Engineering and Technology**, a distinguished institution under the esteemed **Sowdambikaa Group of Institutions**

We believe education empowers every student to build a brighter future. We are dedicated to delivering high-quality learning experiences, focus on both academic excellence and personal growth.

To ensure this, our college has established high-quality sophisticated infrastructure with an excellent academic ambience that will enrich progressive technical education.

We nurture confidence, discipline and lifelong learning habits.

With this motto, I invite you all to join this prestigious institution for making competent, successful and research-oriented engineering professionals.

DR. S. RAMAMOORTHY

RESEARCH AND GLOBAL OUTREACH

- Paper Publications in IEEE Transactions / IEEE Journals , SCI and Scopus-indexed publications, indexed conference papers and grantable patents have increased every year, with the institutional h-index reaching 39.
- Strong research excellence: Senior IEEE Member name is listed among the World's Top 2% influential Scientists list for the year 2025, released by Stanford University in collaboration with Elsevier
- A special issue was undertaken in collaboration with professors from Taiwan and Korea in a reputed SCI-indexed IEEE magazine with an impact factor of 4.1.
- Professors delivered Key note talks in the conferences held at International and National Universities.
- Dedicated centralized Hub to fostering research and providing Opportunities for researchers and students to work on Grants and with External Agencies.
- **An MoU was signed with Zhejiang Sci-Tech University, China**
- To establish and operate an International Joint Laboratory on Networking and Digital Twins Technology.
- To promote research collaboration.
- To develop academic exchange programs for staff.
- **An MoU was signed with RITECHS, United Kingdom**
- To promote and co-organize research activities such as knowledge-sharing sessions, conferences, consultations and collaborative projects.
- **Marching towards New Age Technology**
- **JJCET** provides a dynamic tech-savvy environment, beyond regular curriculum, making students ready for next gen technology
