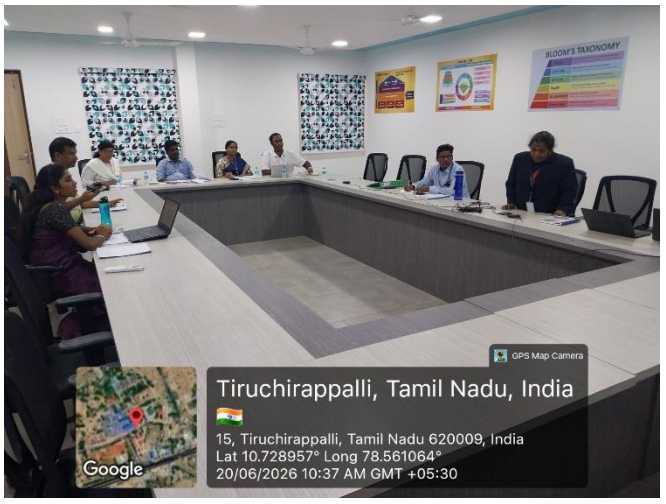
VISION

To impart latest knowledge and skills so as to kindle innovation and creativity among students

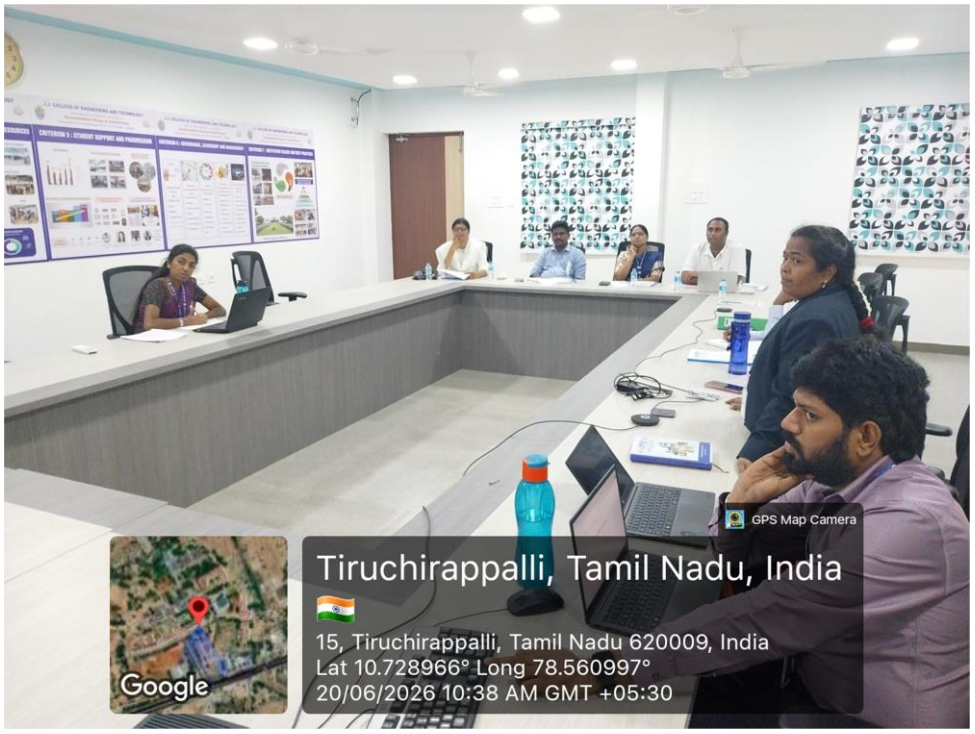
MISSION

- To provide quality Education by preparing a strong willed, socially committed and Dynamic Engineers for the Future.
- To enrich their knowledge in the areas of academic, research and industry by moulding professionals in the field of Civil Engineering to build a sustainable world.
- To impart quality education and mould technically sound, ethically responsible professionals in the field of Civil Engineering.
- To prepare the students with a broad skill set of creativity, critical thinking and effective communication skills to meet the desired needs of the society.
- To develop state of the art infrastructure and research for effective teaching learning process.
- To strengthen soft skills especially for rural students through co-curricular and extracurricular activities.

MAJOR EVENT



A Board of Studies (BoS) meeting was conducted in the Department of Civil Engineering to review and enhance the academic quality of the program. The meeting brought together board members from academia, industry, alumni, and the university, with the official document listing their professional affiliations and designated roles. The Board of Studies focused on providing guidance for curriculum development, academic regulations, industry collaboration, and maintaining educational standards.



FACULTY ACHIVEMENT

Certificate No: PRCJAST161109A.A
Academic Year: 2026-2027
Month: June - 2026

Current Journal of Applied Science and Technology

Certificate of Excellence in Reviewing

awarded to

Dr. A.Ananthi

J.J.College of Engineering and Technology, Tiruchirapalli, India

in recognition of an outstanding contribution to the quality of the journal.
